Qualifications

Bachelor of Laws (1984)

Accredited Specialist – Personal Injury (1994)

Accredited Mediator (1994)

Assessor for the Claims Assessment and Resolution Service (2003)

Peter had been a Partner of the Firm since 1991.

Main areas of practice

Peter specialises in the management and resolution of catastrophic & major claims, complex and technical personal injury cases, such as quadriplegic, brain injury and infant matters involving significant injuries. He has an outstanding reputation with insurer clients in achieving impressive results and works closely with insurers developing service standards and fees structures.

Background

Prior to joining the firm in 1991, Peter practiced in a Newcastle law firm specialising in liability and workers compensation claims. He also spent several years at the GIO of NSW advising on third party personal injury claims.

Experience

Peter has had over 25 years experience in statutory and public liability claims. He brings substantial expertise and hands-on knowledge to his insurer clients and has a strong commitment to alternate dispute resolution.

Peter provides a range of strategic and value added services to his clients. In addition to mentoring client practice groups, he offers informal telephone advice and presents regular legal updates. He is actively involved in providing education seminars to community groups such as Life Activities and the Paraplegic and Quadriplegic Association of NSW. Peter presents workshops at the Newcastle University to MBA students and at the State Legal Conference.
