### Qualifications

Bachelor of Laws (1984)

Accredited Specialist – Personal Injury (1994)

Accredited Mediator (1994)

Assessor for the Claims Assessment and Resolution Service (2003)

Peter had been a Partner of the Firm since 1991.

### Main areas of practice

Peter specialises in the management and resolution of catastrophic & major claims, complex and technical personal injury cases, such as serious orthopaedic, paraplegic, quadriplegic and brain injury, and infant matters involving significant injuries. He has an outstanding reputation with insurer clients in achieving impressive, cost effective results. He has worked closely with insurers developing service standards and fees structures.

### Background

Prior to joining the firm in 1991, Peter practiced in a Newcastle law firm specialising in CTP, Public Liability and Workers Compensation claims. He also spent several years at GIO advising on third party personal injury claims.

He has been a Claims Assessment & Resolution Service (CARS) Assessor since 2003.

He divides his time between the firm's Newcastle and Sydney offices.

### Experience

Peter has had over 30 years experience in CTP and public liability claims. He brings substantial expertise and hands-on knowledge to his insurer clients and to his work as a CARS Assessor. He is strongly committed to appropriate dispute resolution through mediation, arbitration and negotiation.

Peter provides a range of strategic and value added services to his clients. In addition to mentoring client practice groups, he offers informal telephone advice and presents regular legal updates. He is actively involved in providing education seminars to community groups such as Life Activities and ParaQuad NSW. Peter has presented workshops at the Newcastle University to MBA students and at NSW State Legal Conferences.
